

Enjoy Museum Day

By EDNA MCDADE

Medina County voters, and any other folks in Hondo and within traveling distance of this county seat, will have a busy day ahead this Saturday, May 6th.

Second in importance only to the Democratic and Republican Primary Elections (be sure to vote), and yielding to that priority out of patriotic pride and civic duty, comes the really Big Show to be presented by Medina County's third annual Museum Day Celebration.

Museum Association directors, headed by President John Wentz and Burnis Lawrence, Museum Trail Boss, have been herding members and all volunteers (born volunteers and others with such duty thrust upon them) reminding them at every monthly meeting since last year's M-Day that "We must get busy and KEEP busy!"

What happened is that most of them have kept busy all year. Enthusiasm works that way. Like the last minute shopping before Christmas, the plans really gathered full steam during the past few weeks.

Now, everything is in readiness for a real bang-up successful third-time's-a-charm third annual M-Day in Hondo.

WHATTAMIBID?

Keynote speaker on the day's program will be Auctioneer Frank Helvey of Hondo. He is reported to be in fine voice and his hearing is said to be reasonably good on low bids and extra keen on the top ones. Listen for the going, going, gone gong. Starting time 1:00 p.m.

Lucky bidders will take home some genuine antiques.

There is still time (today) to add a few more if you want to help our Museum on its determined climb to success. Call Fritz Leinweber at 426-3378 for information.

Auction sale items will be on display Saturday, prior to the sale, plainly marked and numbered for easy identification and note-taking. (Bring your own paper and pencil.)

Included in this year's inventory will be furniture and furnishings, clocks, housewares, china, ironware, tools, books, handcraft, machinery, appliances, mirrors, silverware, and some GKWs (known to the trade as God-knows-whats).

Also up for bidding and sale will be many collector items in quantity and variety so that bidders will wonder how they ever got along with some of them before Fate directed them to Hondo's M-Day auction and they got lucky.

SEALED BIDS

A special feature, sponsored by the Hondo Garden Club at their booth, will be a painting by a well-known local artist whose pictures find ready sale.

This will be out for display and will be offered on a "sealed bid" basis. Bidders will place bids which are recorded but not publicly announced. These will be posted, anonymously, from time to time until the deadline.

Mrs. Mark Marshall, HGC president, will keep the guessing game going. News of the "special" had leaked earlier and one young matron said, "If it's the picture I hope it is, I hope I can make the winning bid."

MUSIC, MAESTRO

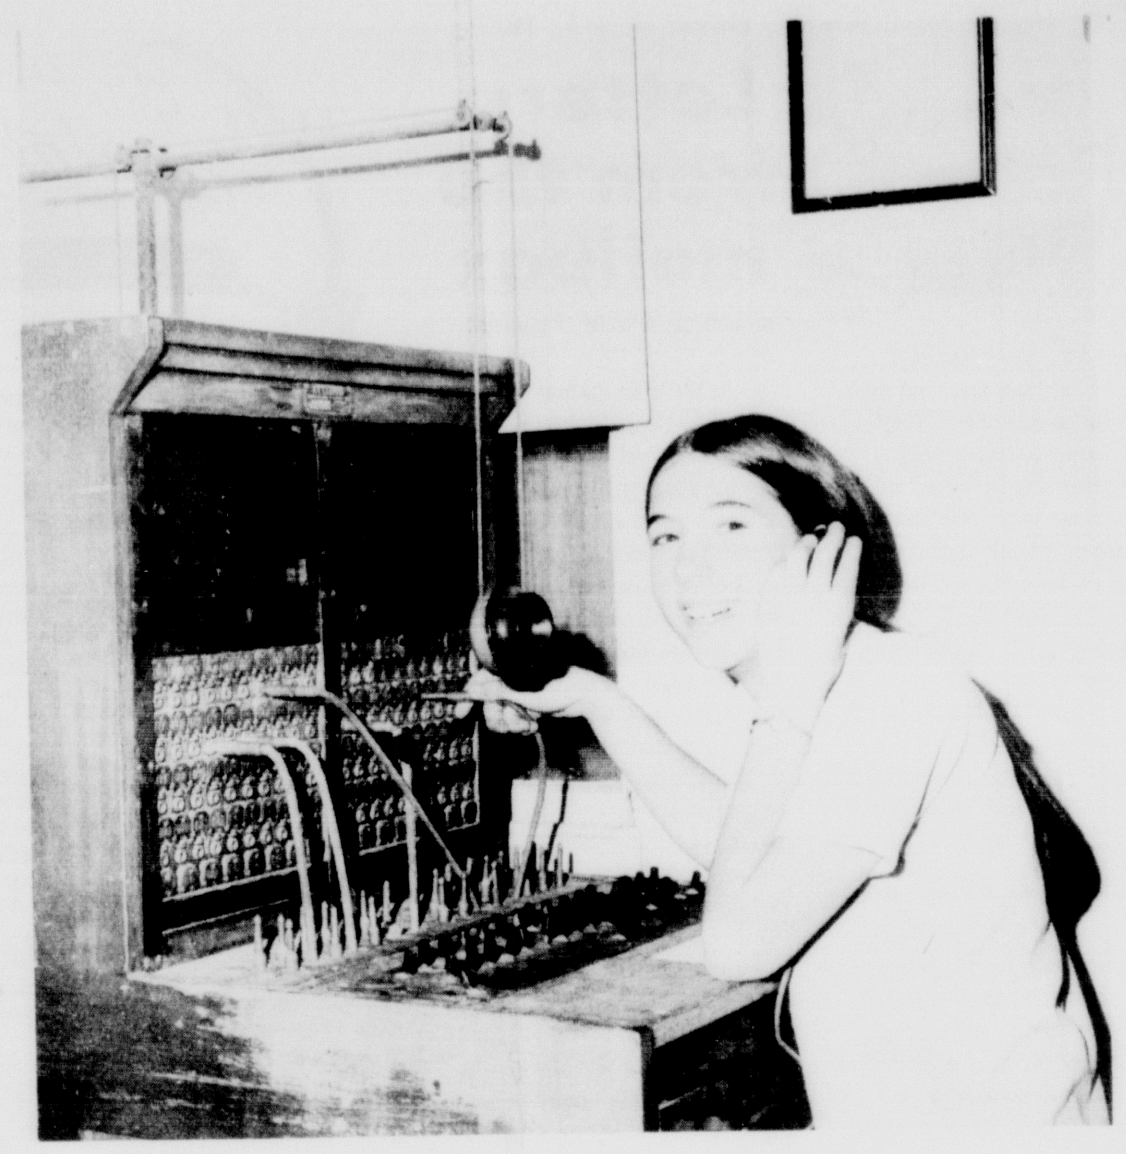

No Museum Day would be complete without a concert by the HHS Sweepstakes Award-Winning Owl Band, led by Director Billy Harrell. The band will get festivities off to a genuine oompah-oompah start about 3:30 p.m.

Meantime, back at the National Guard Armory and on the ample grounds leading past the Medina Co-op complex clear down to the Museum, things will be kept hopping and popping.

MA, I'M HUNGRY!

Food a plenty will wait on appetite. You like hot dogs, Lions Club brand? Hand-cranked ice cream, FHA Grade A? Baked goodies as only Hondo Young Homemakers (and some Less Young) can bake? Buñuelos, those crisp, crunchy, bubble-topped treats? A Spanish dicho, "Esto no es buñuelos" translated freely and applicable

Museum Day calling!

Everyone knows the old crank telephone went out of style about the same time as bustles, but let's pretend as Terri Young, daughter of Mr. and Mrs. Burnis Lawrence, is pretending here. She makes believe she is actually operating the old telephone board used at the Hondo SP depot for so many years and now on display at the Museum. Actually, Terri is calling everyone in Medina County and for miles around to remind them Museum Celebration Day is Saturday and everyone, but everyone, is invited. Y'all come, hear! THIS LETTER

...to the editor arrived from a local businessman this week and since part of it was his feelings against me, I thought I would share it with the public.

He says and I quote: "For several weeks now I've been threatening to write to you and express deep disgust with your editorials and opinions you express so openly with the public."

"...But I think you are taking too great an advantage of your position as editor of our local paper..."

Then the writer goes on to lambast others and this part I will omit; this last paragraph will explain why.

"I am leaving this letter unsigned for obvious (business) reasons. I hesitate to 'stick out my neck' the way you do."

My friend, you are part of the problem of our country today. And with that attitude you can never be part of the solution. You want your opinions heard, but you don't dare put your name behind them. And as long as you and many other Americans hide behind the anonymity of unsigned letters and coffee cup gossip our country will continue to go to the dogs.

Meantime, I will continue to express my opinions on any subject I deem important. And as I have said many times, they are personal opinions. I don't for one minute consider them absolute, but when I say them, you and others at least know who expressed the opinion; you don't have to guess my identity as I have guessed yours on this letter. And if everyone agreed with all of them, the world would be in a sad shape--for differences in opinion hone the edge of the axe of progress.

Heavy voter turnout predicted on Saturday

The final tally comes Saturday for all candidates seeking nominations in their respective primaries and it will bring to a temporary halt one of the hottest political

races Texas has been subjected to in many years. Statewide interest runs hot in the Governor and Lt. Governor races and locally contested races will be the

catalyst for what is expected to be a record turnout of voters. Some 8700 persons have registered to vote and those who seem to know believe more than 4,000 will

vote. Absentee ballots, Republican and Democrats, totaled 117 by deadline time Tuesday. Local races charged with high interest include the

County Sheriff's race where Joe Pitre and Alvin Santeleben are opposing incumbent Charles J. Ritzfelder; County Attorney, where Allen Lee of Devine and Albert Vance

of Hondo are seeking to fill the office; Tax Assessor-Collector, where Lee Moss is challenging incumbent Alfred Rohrbach; and Constable Precinct 1, where Donald Muennink is challenging incumbent Mrs. Mary Ilse.

Higher up in state offices, Hondoan Representative John Poerner is battling Jim Green of San Marcos for a seat in the newly created 45th District; and in State Senatorial District 21, three former State Representatives are vying for the spot. They are John Traeger of Seguin, Honore Ligarde of Laredo and Oscar Carrillo of Benavides.

ELECTION TIME

Polls over the county will open at 7 a.m. and remain open until 7 p.m.

Only one change has been announced in Democratic ballot boxes and that is the changing of Precinct No. 1, N.E. Hondo, from the Courthouse to the Hondo City Municipal Building.

All Republican boxes have been consolidated into one polling place and that is in the County Judge's Office in the Courthouse.

The American Party of Medina County will also hold precinct conventions Saturday to elect delegates to their county convention to be held here May 13. A complete story appears elsewhere in this issue.

Padding factory on green

"It looks good right now." That's how Gerald Alexander, manager, described the status of the U.S. Bonded Padding Co., which was announced for Hondo months ago, and now has temporary offices in the Medina Savings Association Building.

Alexander told the Anvil Herald Monday: "It looks

good. The survey crew is here this week for plot elevation and core samples, and the railroad has already surveyed and marked off the route of the spur to the building site."

Location of the company plant will be immediately west of Avenue Y on the street immediately north of

the trailer park, according to the description given by Alexander.

"Right now all engineering data is being compiled, the architect is designing, and we are compiling complete specifications for plant equipment which take about three weeks," Alexander said.

"We anticipate breaking ground prior to the end of June," Alexander said.

American Party tells plans

The American Party of Medina County will hold precinct conventions on May 6th for the purpose of electing delegates to the county convention which will be held in Hondo on May 13th.

The State Convention of the American Party will be held at the Will Rogers Memorial Auditorium in Fort Worth at 10:00 on June 19th.

The American Party slate in Texas will include candidates for the U.S. Senate, House of Representatives, Governor and Texas Legislature as well as George Wallace for the Presidency.

In order to have ballot position in November, it is necessary that 25,000 registered Texas voters attend the scheduled precinct conventions which will be held at 8:00, May 6th, at the following locations for the indicated precincts:

Precincts 1, 2, 3, 5, 7, 17, 20 & 21 at 1406 29th Street, Hondo (W. S. Potter residence)

Band says goodbye and hello

Hello to the new and goodbye to the old (and all of them are young) came about Saturday night at the band banquet when new majorettes and a new drummajor were named to lead the Owl band next school year. Adrian Sorrell, right, will be out front in the 1972-73 school year just as Lacy Gilliam, left, has been this year. Two graduating

seniors in the cheerleading contingents, Myra McCartney and Georgia Landers, center, said hello to the new cheerleaders, left to right: Terry Nira, Robin Saathoff, (Myra and Georgia) Donna Zerr and Marcy Mueller. (Photo by Ted Mendoza)

beautiful view of the entire city.

Dear Mr. Lawrence;
I have just returned from a trip to West Germany, Switzerland and Northern France. I have never found such hospitality and courtesy as those people showed us. The moment they found that we were from the USA, some one who spoke English was introduced to us.

Even on the streets people came up to us and tried to help. We were so unsure of the money value that they even tried to teach us the exchange rate.

In Berne, at the hotel where we dined, the maitre de came and sat at our table and explained the menu to us. Then when we went to our room, he sent a beautifully arranged plate of Swiss native cheeses and six bottles of beer. This is the most beautiful country I have ever seen. Flowers were everywhere in tubs flower planters and little booths on the street.

Early each morning every street was covered with booths offering very fresh vegetables, fruit, eggs and flowers. By ten o'clock everything had been moved.

On our way to Strasbourg, France, the Alsace Lorraine country, we stopped on the roadside to check our map. A Frenchman passed us and began to back up. We were sure we must have broken some traffic law. Then he came to our car he said "I speak English. May I help you?" We told him where we wished to go and he said, "Follow me for about 20 miles, then I will stop as I turn off and show you the way," which he did. In Strasbourg we had rooms just above the canal and a

As the first Baders who came to Castroville started from here, we were very interested in all history of Strasbourg, a city I had never expected to visit.

I took about 50 of the Hondo post cards with me and you cannot imagine the reactions I got. Those who just saw the word TEXAS but could not read the sign began to shoot from the hip with make-believe guns. Some brought a map of the U.S. to me and asked me to show where Hondo was. Others asked, "Does everyone ride Hondo motorcycles?" So, our city is innocently capitalizing on a trade name.

In a Dairy Queen in Frankfurt they immediately taped the Hondo sign on the window for everyone to see.

We stopped by the French army post and the Guard put his card in the guardhouse window. I found everyone is "Absolutely in love with Texas."

I just had to tell you of this. I hope you share my native pride in our city and country.

Thank you,
Iris Bader

Dear Mrs. Braden,
Thank you so very much for the lovely write-up and picture of our daughter, Cathy Lynn in your paper.

I sent a copy to her and am sure she'll want to put it in her wedding album as it is especially nice.

Thank you, again.

STATE Capital NEWS

By BILL BOYKIN

Austin — An estimated 1.85 million Texas Democrats are about to decide one of the most significant primary elections in years. Another 100,000 or more will vote in the Republican primary Saturday, May 6.

Both parties will also conduct important precinct conventions May 6 — first step in the presidential nominations process. With emphasis on the hard-fought gubernatorial primaries in both parties, little attention has been devoted to the conventions beyond a prolonged Democratic scrap over adoption of new procedural rules.

Democrats almost certainly will go into June 3 runoff for both governor and lieutenant governor — and perhaps other statewide elections.

Gov. Preston Smith, Lt. Gov. Ben Barnes, Dolph Briscoe of Uvalde and State Rep. Frances (Sissy) Farenthold of Corpus Christi are major contenders for the Democratic gubernatorial runoff spots.

The lieutenant governor's field is also closely bunched in the stretch drive with State Sens. Wayne Connally of Floresville, Ralph Hall of Rockwall and Joe Christie of El Paso and Houston newspaper executive William P. Hobby the top contenders.

Former Sen. Ralph W. Yarborough is favored to win the Democratic U.S. Senate nomination over Barefoot Sanders and face GOP Sen. John Tower in November.

Republican gubernatorial candidates staging serious campaigns include State Sen. Henry Grover of Houston, Dave Reagan of Sherman, Al Fay of Houston and Tom McElroy of Dallas. John A. Hall of Weatherford has also put up a fight.

Atty. Gen. Crawford Martin is challenged for re-election by John Hill of Houston, and comptroller Robert S. Calvert and Treasurer Jesse James have multiple opposition.

No Medicaid Evictions
No sick poor are going to be thrown out of hospitals before

they are well due to new curbs on Medicaid, the State Welfare Department pledges.

The new American Physicians Union claimed in advertisements that Welfare Department guidelines set a limit on hospital stays for each illness.

A department spokesman said nobody will be thrown out who needs to stay in the hospital and that the guidelines were meant merely to suggest normal care periods for ailments and age groups. If additional hospitalization is needed, it will be paid for, a department official stated.

The Medicaid program, which cost \$142 million for the current fiscal year, is paid two-thirds by the federal government and one-third by the state.

Traffic Deaths Increase
Traffic deaths this year have increased two per cent over 1971, the Department of Public Safety reports.

DPS recorded 904 deaths compared with 888 for early 1971.

Deaths on interstate highways actually dropped six per cent, but fatalities in city limits jumped 11 per cent, DPS said.

Courts Speak
The Court of Criminal Appeals held defendants in criminal cases have the right to look at statements of witnesses against them.

Grand Prairie cannot hold a local option liquor election since it is located in two counties, the State Supreme Court concluded.

The High Court reversed an intermediate court and ordered re-trial of a Houston man's suit for damages as the result of a freon can explosion.

A Vietnam war casualty's widow can contest his girl friend for his insurance, the High Court held.

Ratiff Quits
Sen. David Ratiff of Stamford resigned his post and withdrew as a candidate for a House seat after disclosures that he had several relatives on legislative payrolls.

Ratiff, 60, said his "past mistakes or bad judgment" should not reflect on other members of the Texas Senate.

His immediate resignation will allow time for election of a successor before the June special legislative session, Ratiff stated. Timing of his withdrawal from the House race will follow consultation with local party officials.

Ratiff did not seek re-election to the senate when his district was merged with that of Sen. Jack Hightower of Vernon.

Mass X-Rays Out
Texas State Department of Health announced skin testing has replaced the mass X-Ray screening for tuberculosis in Texas.

X-Rays are recommended only for those persons testing positive in skin checks and those in high-risk groups.

The Health Department will continue to use mobile X-Ray units — mainly for followup testing. The Texas case rate for new, active tuberculosis is 25.8 per 100,000 population. The national average is 18.3.

Short Snorts
Construction flaws have been

discovered in the Lyndon Johnson Library at the University of Texas here, one of the state's big tourist attractions.

UT students are pushing for sale of beer in the student union building.

New voter registration procedures may allow registration of some people in two different counties, Secretary of State Bob Bullock warns.

Charles W. Fisher Jr. of Liberty has been re-appointed to the Trinity River Authority. Speaker Rayford Price named new membership of the House Appropriations Committee.

Nearly 4.5 million doses of vaccine were administered last year by the Texas Department of Health through local health departments. Diptheria and tetanus led, followed by rubella, smallpox, pertussis, polio and measles.

A new \$172,225 federal grant has been approved for the Texas Office of Economic Opportunity.

The "Dirty 30" House reform coalition endorsed 41 Democratic and 26 Republican candidates for state representatives.

Medicare helps on health bills

Government pays for two-thirds of the health bill of people 65 and over in this country, compared to one-fifth for people 19 to 65, and one-fourth for those under 19, according to Roy L. Swift, social security district manager in San Antonio.

"According to a study of people's medical and hospital expenses in the United States in fiscal 1971," Swift said, "the health care costs for people 65 and over totaled \$18.7 billion. Government funds paid \$12.7 billion, or 68 percent. More than half of that—\$7.5 billion—was paid for by Medicare."

The bill for young people under 19 was \$11 billion—of which 27 percent, or \$3 billion, was paid for by Medicaid and other government programs. For people 19 to 65, the bill was \$39.7 billion—of which 22 percent, or \$8.7 billion, was paid for by government funds, the study shows.

Medicare is Federal health insurance that helps pay the health care bills of almost everyone 65 and over. "Medicare payments last year amounted to one-third of all health care payments made from government funds," Swift said.

Some of the Greatest Gift Ideas are Electric!

Personal gifts seem to have more meaning when they make life easier and more enjoyable. That's why an electric gift says so much to that special someone. And electric items are accurate and reliable. All powered with clean, flameless, economical electricity.

Mother's Day? How about a hairdryer... an electric toothbrush... a decorator clock... or a warm electric blanket? Father's Day? Delight Dad with an electric razor, an electric charcoal starter, a handy power tool set, or a radio for his workbench. Wedding? What newlywed couple would not appreciate an electric blender, a knife sharpener, electric can opener, or a beautiful lamp.

When gift time rolls around, buy an electric gift! It's a present that will last and last. And it shows you care enough to give something practical and useful.

Electricity — the cleanest energy you can use.

Brenda Haby This week to wed in July

The announcement of Miss Brenda Claire Haby's engagement to Gerald Patrick Burrell, son of Mr. and Mrs. Dan Burrell, Castroville, is made by her parents, Mr. and Mrs. James U. Haby, Rio Medina. The couple plans a July 15 wedding in St. Louis Church, Castroville.

The bride-elect, a graduate of Medina Valley High School, is a junior foods and nutrition major at Texas A&I University. She has also attended Our Lady of the Lake College.

Her fiancé, a graduate of St. Louis High School, is employed by the Texas Highway Department.

That's all she wrote

by Edna McDade

This is the time to consider the day lilies of the field -- and Hondo gardens. In Youngstown, N.Y. they cover the roadsides with a riot of color in the summertime. Here, they are popping up to spend a day at a time in beds bordering the fences or tucked among rocks in the yards of several of my neighbors and how I enjoy them--including the neighbors, of course.

About this daylight saving time business, BONNIE (Mrs. Bill) MOOS is of the considered opinion that whoever thought THAT up was never married to a farmer!

I don't know which way Bonnie is voting Saturday but perhaps she ought to know that the Republican ballot gives voters a chance to express their for-or-against sentiments on that controversial subject. Seems like us Democrats will just roll with the time clock punches. And go through the whole thing again come October.

Mrs. GEORGE CLARK was in the Herald office last week, wearing an attractive playsuit (I think) with four roomy pockets labeled Bangles, Baubles, Beads and Bills. It was most B-coming, too.

Area farmers were getting pretty desperate for rain (before the Taylor-Chapman report of last week) but they were still not faced with the predicament in which a Kansas Jayhawker found himself as recently reported by The Liars Club: "Dust-storms in my state are so hard on my soil that, after one big blow, my well stuck out of the ground so far I had to roof it for a silo."

Another drouth story from the same Club claimed that in Thunder Bay, Ontario, "We had a storm so fierce that there isn't a book in our local library where the words ROAD and BRIDGE aren't washed out."

Weather is like that--goes from one extreme to the other.

CATHY COX and BONNIE and MARGIE GEUEA were on Saturday morning duty at the local ROT (Recycle our Trash) project on the corner of 16th and Ave. K when I stopped for a look at what they were doing.

They were on active duty, doing their good turn, for our community's keep-our-city-clean and ecology-in-general program. The girls are representative of willing workers who come from the Jr. Garden Club, 4-H, FHA, Camp Fire and other youth groups (consider any included I may have left out!) who are assuming civic responsibilities that need attention the year 'round.

It didn't help matters much that some one (maybe several folks) had dumped bags of assorted garbage which could not possibly be "recycled" in the condition it was in, although it did contain some cans and bottles. Perhaps the thoughtless "depositors" will learn to do better next time.

CATHY was reading a magazine between paper sortings and the gnats were a disturbing factor. She said it reminded her of the fights they used to have at the old Lacy school when the gnats swarmed in on occasion. "When we swatted them," she said, "Mr. HAY used to warn us, 'If you kill one gnat, 50 more will probably come to attend the funeral!'"

The air-conditioned McDowell school, the girls agree, "is heavenly!"

Over CASTROVILLE way, a recycling effort collects egg shells, light bulbs and salad dressing bottles to use in the city's summer crafts program. Next month it will be time for Hondo's summer recreation program. Maybe the leaders can figure out ways to put discard items to good use.

COLBY JOE HEYEN was negotiating for the purchase of a new combine recently when Mrs. H (CAPPI) came in from the golf course, one of her favorite recreations.

When the salesman asked her where she had been she said, "Golfing" and he asked her how that could help a farmer. Cappi had the ready answer, "If I get good enough at it, maybe some day I can help pull us out of a drouth!"

"Now," said the man, "I've heard everything!" . . . and Colby Joe bought the new combine.

P.S. PLEASE SEARCH all through the house for some remember-when costume to wear to our Museum Day celebration. If you're too mod to have kept any such relics, some mighty pretty NEW old-fashioned things are now on sale at our local shops. Try'em on - you'll buy'em!

The Voters of the 45 th Legislative District

Dear Neighbor:

I want to thank all of you for being so friendly to me and for the wonderful encouragement and assistance I have received. I only regret that I could not meet each of you personally.

I considered mailing an individual letter to each voter; however, the cost amounted to more than \$2,000.00 and this in addition to other campaign expenses was too much for my pocket-book. Consequently, I want to use this means of asking for your vote and support.

My platform has been outlined in my announcement for reelection. I have pledged to reform the rules of the House, strive for greater water conservation, revise the welfare program and to continue my work for vocational-technical training programs. I want to also establish a "Mini-Park" system for the State so that every citizen will have access to park facilities within a reasonable distance of their home.

I want to further pledge my wholehearted efforts and energy to the problems and goals of every county in my District. I can assure you I will be available to hear any and every problem that may arise, just as I have for the counties of my old District during the past three years. I want you to know that I will consider it a great honor to be your voice in Austin for the next two years if it is your choice to send me there.

Sincerely,

John H. Poerner

School days school days !

Gone are what old timers term the "good old days" when students fidgeted at wooden desks such as this to learn their "Three R's." And look at that ancient map case, where the teacher pointed out points on the globe that youngsters in those days (without the super help of TV) never knew existed. Ben Wiemers, a native of Medina County since his birth in 1899 takes a close look at this display

at the Medina County Museum and says, "I remember!" See this display as well as many others on Museum Celebration Day Saturday and take in the Auction, the Country Store, get refreshed at the Purple Petticoat and have fun in general. Students offered travel abroad

Local high school students have an opportunity to spend the summer or school year in South or Central America, according to W. R. Smith, Western Director of International Fellowship, Inc., a non-profit Student Exchange program in Buffalo, N.Y., with a Western office in Sedona, Arizona.

The largest program of its kind in Latin America, Fellowship has openings for local students to live with families abroad from late June to early September and attend school, since it will be winter in South America.

Those wishing to learn Spanish or Portuguese, while serving as Jr. Ambassadors without portfolio, for as little as \$485, including air transportation, room, board, tuition and insurance, should contact W. R. Smith at Box 1212, Sedona, Arizona 86336, or phone (602) 282-7353.

4H dog trainers win four awards

Velda Cole won first place in awards presented this week to members of an obedience training class sponsored by the Hondo 4-H group and the Chaskar Dog Training Club. Winning 2nd, 3rd, and 4th place awards, respectively, were Hody Wernette, Debra Lindeberg and Chris Cole.

Members who received certificates of completion included Kay and Nancy Martin, Tim Gilliam, Donna Wernette and Douglas and Valerie Cole.

President Tim Gilliam presented certificates of appreciation from the Texas Agricultural Service to Judge Lola Tomme, and to Chaskar instructors Mr. and Mrs. Charles Moreland, Dorace Mahan and Cindy Haag. Guests were Doyle L. Moore, District 13 4-H agent, and Mrs. Moore.

Douglas Cole, reporter

The recommendation of the student's Principal or Counselor will be required. Age limit is 14-18 inclusive.

Local families wishing to host a foreign student next September may also contact the Western office of International Fellowship, Inc.

Obituaries

Mrs. Maybelle Jones buried in Llano

Mrs. Maybelle Jones, 83, died April 27, 1972 in a Kerrville nursing home. A native of Hempstead, Texas she was born to the late Fred H. and Eva Harvey Stickney, May 18, 1888. She was the widow of Emory Jones, a retired employee of the Fort Worth & Denver Railroad, who died in 1961.

Mrs. Jones had spent most of her life in Amarillo and for the last six years she had lived in Hilltop Nursing Home, Kerrville. She was a charter member on the San Jacinto Methodist Church, Amarillo.

Survivors include a sister, Mrs. Martha Gilbert of Hondo, and two brothers--Herbert Stickney of Lumberton, N.C., and E.M. Stickney of Fort Worth. One niece, Mrs. Carol Calkins of Hondo, also survives as do several other

nieces and nephews.

Graveside services were conducted April 29 at the Llano Cemetery, officiated by the Rev. Woodrow Adcock, pastor of San Jacinto Methodist Church, Amarillo.

Arrangements were by Guinn-Horger Funeral Home, Hondo, and Griggs, Amarillo.

Also, two granddaughters, Sheri and Tiffany Giesecke of and 15 nieces and nephews.

Mr. Hartung had spent his entire life in the Biry and Devine vicinity. He attended the Biry and Shook Schools. He was a farmer and rancher and was employed by Precinct 4, Medina County.

Funeral services were held Thursday morning, April 27, at the First Baptist Church in Devine where he was a member. Rev. Franklin Pullin, pastor, officiated. Interment was in the Evergreen Cemetery under the

direction of Hurley Funeral Home.

Pallbearers were Louis Haass, Willie DiBose, Ira Barron, Hardin Wunderlich, L. A. Martin, and Hilmer Neuman.

Honorary pallbearers were W. L. Green, W. T. Leatherwood, Durrell Haynes, A. E. Giesecke and Robert L. Busby Jr.

Navy Officer transferred

Navy Petty Officer Second Class Theophil R. DeCock Jr., husband of the former Miss Patricia A. Groda of Castroville, is aboard the destroyer USS Johnston which will be shifting homeports from Charleston, S.C., to Philadelphia on May 2 to undergo a three month shipyard overhaul.

Down memory lane

Does this take a few Hondo residents back down memory lane to the time when Cotton was King and the coming of the train brought real excitement to the community? Here cotton is stacked near the old depot (the same one now converted

into the Medina County Museum) and in the background is the old Bru Miller home. This picture belonged to the late Mollie DeMontel Haass and will be given to the Museum at a later date, according to the estate trustee Anne Davis.

Services held for C.L. Hartung

Mrs. Charlie Louis Hartung 59, of Devine died Monday April 24, 1972 at Medina Memorial Hospital. He was born in Biry, September 6, 1912, the son of the late Charles and Bertha (Brieten) Hartung.

He was married to the former Melanie Keiser December 23, 1950, who survives him.

Other survivors are a daughter, Mrs. A.E. (Billye) Giesecke of San Diego, California; three brothers, A. A.

Hartung and Oscar Wernette of Hondo.

Stephen Carle dies in Marlin

Stein Receives Scholarship

Funeral services for Mr. Stephen A. Carle, 77, were held at D'Hanis Holy Cross Church April 29, officiated by the Rev. Victor G. Schmidtziusky, pastor.

Mr. Carle, born in D'Hanis Feb. 12, 1895, died April 26, 1972 in the Veteran's Hospital, Marlin, Texas where he had been a resident patient for many years. He was a Veteran of World War I and he had never married.

He was the son of the late Emil and Helena Koch Carle.

Survivors are four brothers --Edgar of East Bernard, Texas; Herman of San Antonio; Alex of Houston; and Frederick Carle of Kerrville.

Pallbearers were Lawrence Carle, John J. Nester, Martin Schawve, Hilmar J. Koch, Harry Maeller and Warren Sandlyn. Burial was in the Holy Cross Cemetery, D'Hanis, arrangements by Horger-Guinn Funeral Home, Hondo.

COLLEGE STATION--- Wayne Franklin Stein, one of the top ranking seniors at Hondo High School and a leader in FFA activities, has been named recipient of a \$500 College of Agriculture Scholarship to Texas A&M University.

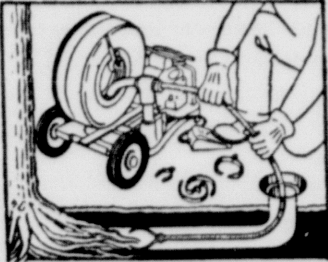

Wayne, the son of Mr. and Mrs. Harvey Stein of Rt. 1, Hondo, will enter A&M University this fall as an agricultural engineering major.

College of Agriculture Scholarships are awarded to young men and women on the basis of excellence in high school scholarship, leadership and character. The scholarships are made possible by contributions from the staff, former students and friends of the college. Recipient selection is made by the College of Agriculture Scholarship Committee.

Most of Wayne's activities have centered around FFA. As a freshman he was selected Star Greenhand Farmer. Since then he has served as chapter reporter and president. Last year he won second place honors in public speaking at the FFA area contest.

The scholarship winner also served as president of the National Honor Society and the sophomore class.

Airman Fisher assigned England

Airman Gerald E. Fisher, son of Mr. and Mrs. Troy A. Fisher of Devine, has graduated at Lowry AFB, Colo., from the U. S. Air Force weapons mechanic course conducted by the Air Training Command.

The airman, who was trained to load and inspect the weapons used in Air Force fighter aircraft, is being assigned to Lakenheath RAF Station, England, for duty with a unit of the U. S. Air Forces in Europe, America's overseas air arm assigned to NATO.

Airman Fisher is a 1971 graduate of Devine High School.

FFA chapter members also presented a gift to their Sweetheart Lanell Saathoff who was runner-up in the district contest.

Rare items on sale Sat.

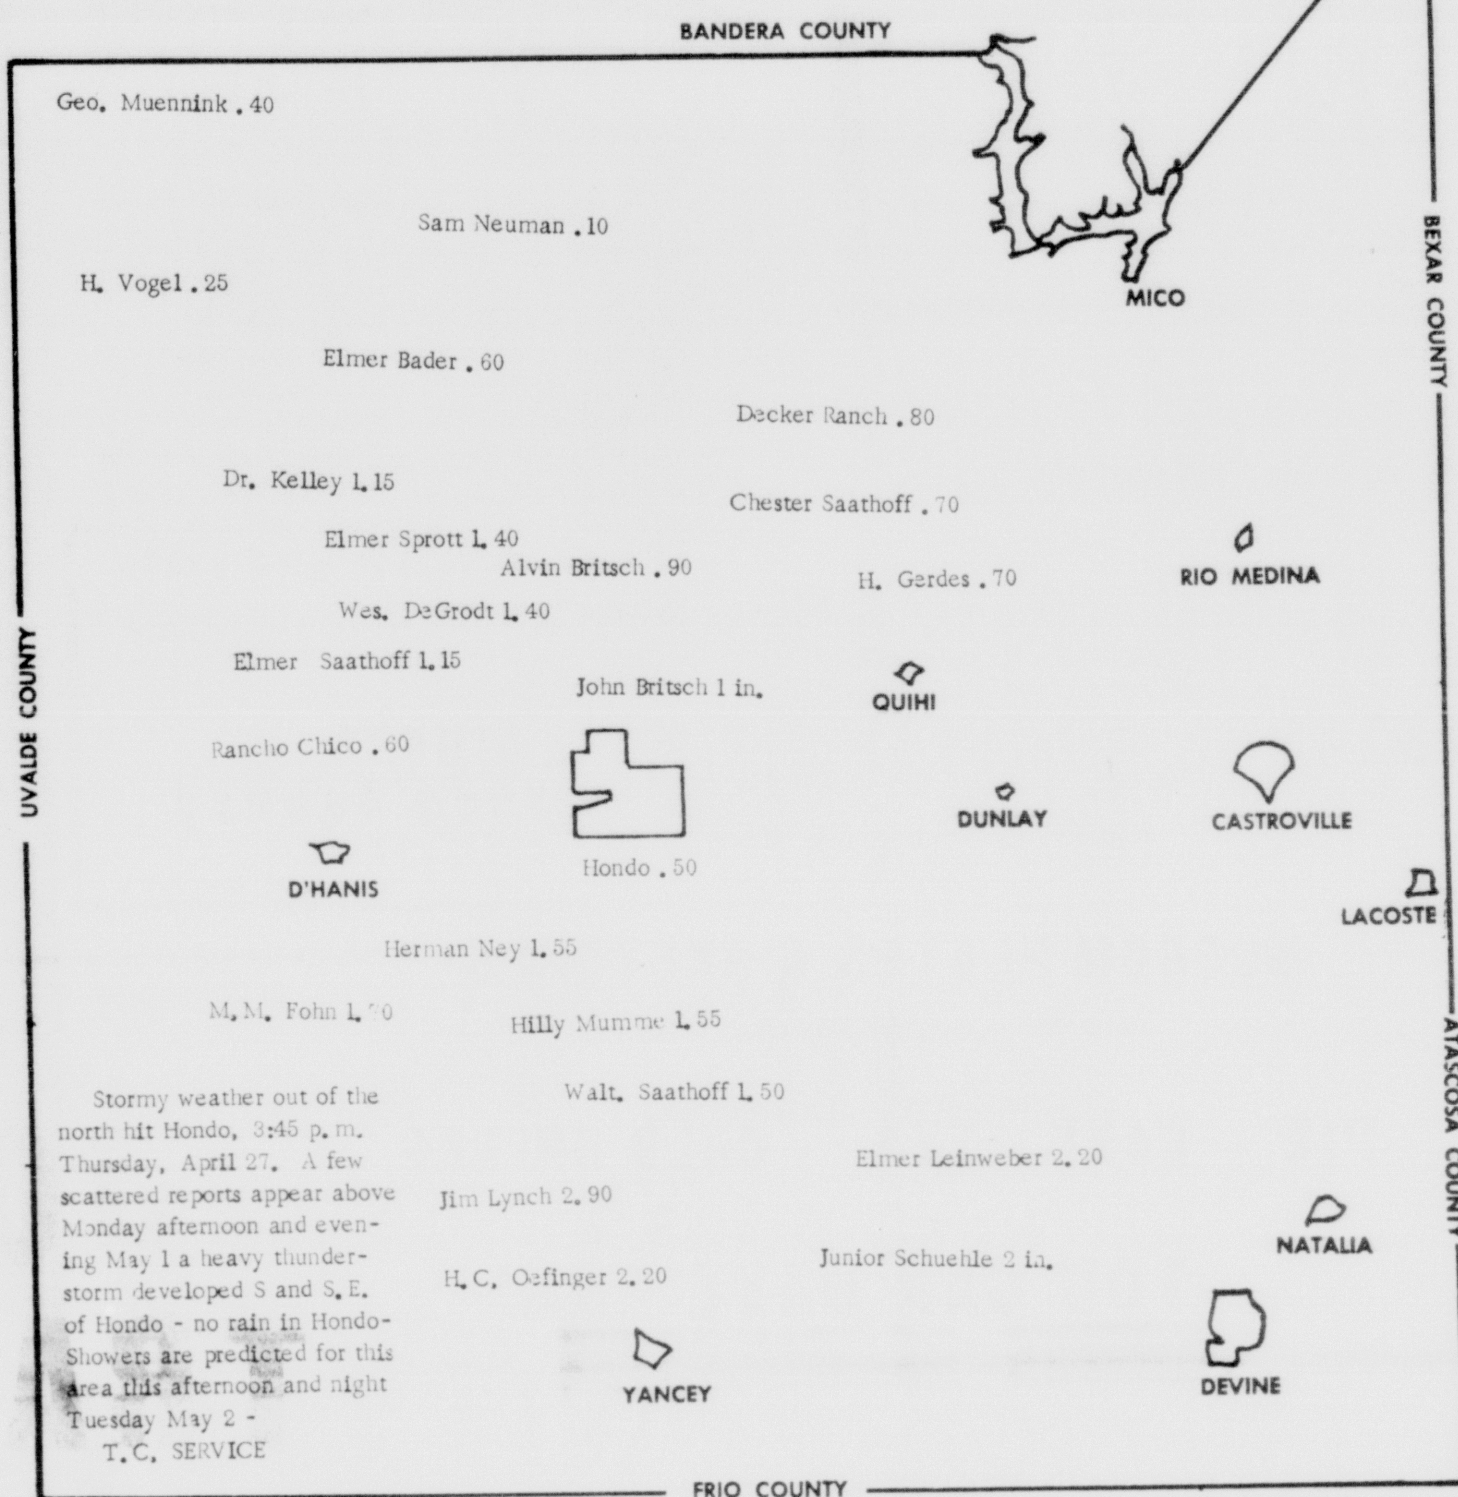

Some very special items will be on sale Saturday at the Museum Celebration Day Antique Auction. It was announced Friday night. One item in particular will be the Pepsi Cola Dallas

Cowboy bottle. "We have two of these bottles and are expecting one or two more," Cappy Heyen and Frank Graff said.

Other items, in addition, of course, to the many fine

pieces of old furniture, lamps, clocks, horse collar mirror, etc., will be a hand-made ash tray utilizing real horse-shoes. These are being made by Roy Dailey of Quilhi and donated to the Museum.

THIS ATOMIC WORLD

Inside information

...Radiation released by harmless amounts of radioactive material can be employed in a variety of tracing techniques. Orlan Ihms will explain them and other concepts in a "This Atomic World" program May 12 at Hondo High School.

HHS students to see

'This Atomic World'

Hondo High School students will view a demonstration of atomic energy and its uses May 12.

A program titled "This Atomic World" will acquaint them with basic principles of nuclear energy, its sources and role in agriculture, industry, medicine and research.

Sponsored by Texas A&M University in cooperation with Oak Ridge Associated Universities (ORAU), the program will be conducted by Orlan L. Ihms (sounds like "seem").

He will use student terms to explain structure of atoms, nuclear reactor operation and concepts such as radiation, fission and fusion.

Ihms will employ special equipment to demonstrate radiation sources and how nuclear energy is harnessed to generate electricity. Life process studies and disease diagnosis and treatment using radioisotopes also will be graphically portrayed.

A chalkboard talk to Hondo High science classes will go into more detail on atomic structure, radioactivity, radiation biology and nuclear science careers, among other topics.

Ihms trained in ORAU labs at Oak Ridge, Tenn., and has bachelor and master's degrees

ALVIN SANTLEBEN

States His Reasons

For Entering

County Sheriff's Race

First, let me say that regardless of what you might have heard, or what you have been told - I am recognized, and have been certified by the State of Texas, according to their standards, to be a fully qualified law enforcement officer in all phases of law enforcement. This includes all types of felonies such as homicide, arson, theft, fraud, etc. In addition, I have completed many law enforcement schools in excess of what is required by the State of Texas to become a certified law enforcement officer - plus, I have been exercising this training for the past eleven (11) years in a hard working, honest, sincere, and devoted manner.

In answer to the questions by many people of our county as to why I declared myself as a candidate for Sheriff in our county, let me state some of the reasons:

(1) As a taxpayer in our county, maximum protection of our personal property is of prime importance. This area of responsibility of our Sheriff's office needs improvement badly, and it is my belief that it can only be attained through the personal efforts of a capable, diligent, alert, and conscientious sheriff and his staff. I assure each taxpayer of our

county that this improvement will be provided when you vote ALVIN SANTLEBEN, your Democratic candidate for Sheriff of Medina County in the May 6th primary.

(2) As a taxpayer in our county, administration and utilization of our tax dollars by the sheriff's department is extremely important, and this is in dire need of improvement. Competitive bidding by suppliers of equipment such as vehicles, vehicle accessories, food to feed prisoners, office forms, etc., is a must if we are to meet ever-increasing expenses. You are guaranteed these improvements when you vote ALVIN SANTLEBEN, your Democratic candidate for Sheriff of Medina County in the May 6th primary.

(3) As a taxpayer in our county, prompt response to all complaints, regardless of their seriousness, is sorely needed. This can be accomplished with the present number of officers now authorized in the sheriff's office, provided there is a better distribution of officers throughout the county, and provided further that these officers are working, or on call to each citizen, not just the sheriff's office, on a 24 hour basis

each day. This is what each taxpayer is paying for, and will be provided, when you vote ALVIN SANTLEBEN, your Democratic candidate for Sheriff of Medina County in the May 6th primary.

(4) As a taxpayer in our county, intelligence in providing excellence in law enforcement duties is demanded, and this area is non-existent today. Without prior knowledge of what our market is paying on cattle or farm products, or what our competitor is asking for his new car, or even in an actual wartime situation in the military, we are almost helpless without intelligence, which is a way of going into a situation without being prepared. A person cannot effectively deal with any situation without prior knowledge of what is going on in our county, market, or whatever activity you are engaged in. There have been many repeated requests that the sheriff's office of our county conduct such intelligence meetings with all elected county and appointed law enforcement officers to discuss our local problems and known offenders, as well as in surrounding areas but these requests have been ignored or denied. Your local law enforcement officer must be afforded this intelligence

if he is to perform his duties at maximum capability. This improvement is guaranteed when you vote ALVIN SANTLEBEN, your Democratic candidate for Sheriff of Medina County in the May 6th primary.

(5) As a taxpayer in our county, I realize that enforcing our laws is becoming more and more difficult with our supreme courts ruling more in favor of our criminals. Therefore, each of our law enforcement officers must have a continuing program in past Supreme Court decisions, a current and ready reference library must be available to them, and open discussions between themselves and our county attorney must frequently take place for them to effectively provide the services you are paying for. They cannot be expected to preserve evidence, write coherent case reports, or present an effective report to the judge or grand jury members without this training. This improvement is guaranteed to you when you vote ALVIN SANTLEBEN, your Democratic candidate for Sheriff of Medina County in the May 6th primary. (Pol. Ad. Bd. For by Alvin Santleben)

These five pigs are well fed and just right for auctioning at the Purple Petticoat Saloon, Museum Celebration Day.

The past two years this event has brought several hundred dollars to the Museum.

So be at the Purple Petticoat, operated by the D'Haris Lions Club, and enjoy fun, fellowship and pig buying--as well as keeping current on election returns.

'Rose window' on Natalia float

Natalia's first-prize winning float in the April Battle of Flowers parade, was the artistic creation of Matt Williams of the Lytle Welding Shop.

R. C. McDonald, principal of the Natalia High School, credits Williams for the success. "Williams made a special trip to San Jose Mission," said McDonald. "He took careful measurements of the famous Rose Window and duplicated it exactly for our float which was titled, Baptism at San Jose Window." The float created wide spread interest and comment, according to McDonald, who says the Natalia community feels indebted to Williams for his dedicated effort.

LET'S RE-ELECT
JESSE JAMES
State Treasurer

JESSE JAMES has a proven record of honesty and efficiency as verified by State Auditor reports.

JESSE JAMES last year earned for the State of Texas over Sixteen Million Dollars in interest from State Funds deposited in over 1,100 Texas Banks—more than any billion dollar bank in Texas made.

LET'S KEEP JESSE JAMES STATE TREASURER. He has proven he knows how to handle your state's finances.

Pol. Adv. Paid for by
Jesse James, State Treasurer

Paid Pol. Adv. Ligarde for Senator, Matias De Llano, Finance Chairman

THIS IS WHAT HONORE
LIGARDE HAS DONE...
AND WILL DO!

Honore Ligarde has been a State Representative for over 10 years. Now he asks your vote for State Senator. He has authored, co-sponsored, or actively worked for and will continue to put his efforts in the following areas of legislation:

EDUCATION

Ligarde has a perfect 10-year record in the field of education as author, co-sponsor, or active supporter of legislation upgrading the quality of public and higher education, including the creation of the University of Texas A & I branch at Laredo, Tex., and the University of Texas at San Antonio.

CONSERVATION AND ENVIRONMENT
Ligarde has a near perfect record, as opposed to his two opponents, in the field of environmental legislation. The legislature must adequately fund research programs and enforcement agencies to bring about environmental protection and a proper balance between economic development & conservation.

LEGISLATIVE REFORM

During the last several years, the legislative process has deteriorated to a point where independent representation by individual representatives has become practically nil, under an autocratic one-man rule in the Legislature. We must have: (1) adequately staffed permanent standing committees; (2) conference committees limited only to the resolution of differences between the House and the Senate; (3) drastic revision of our Committee System; (4) annual legislative sessions, and; (5) standing sub-committees

LAW ENFORCEMENT

Vocational training should be provided at the public school level and through a state police academy to insure proper training and better qualified personnel meriting the respect and support of the public.

DRUG ABUSE

Ligarde is for stricter enforcement of penalties

against hard drug peddlers, but feels we must have a realistic approach to the problem of first offenders as between marijuana versus harder drugs. He favors making possession of marijuana a misdemeanor rather than a felony, but with emphasis on strict enforcement.

ETHICS

Unlike his opponents, Ligarde voted for a strong, workable code of ethics providing for disclosure of sources of income, including campaign contributions and net worth for all State officials, and State agency and department heads.

CONSUMER PROTECTION

Ligarde is a strong supporter of consumer protection through enactment of the Consumer Credit Code and other related laws. He will work for granting of proper powers and funding to regulatory agencies to insure consumer protection.

LOCAL GOVERNMENT

Texas ranks among the lowest in the nation in revenue sharing with local government, leaving an undue burden on the home owner and ad valorem tax payer. State government must provide a stronger, cooperative voice in assisting local government without interfering with local control.

TAXATION

Ligarde had the courage to say that a state income tax is imminent and that model legislation, based on the experience of 46 other income tax states, must be discussed and debated in public if we are to avoid the passage of a complicated body of state income tax laws, passed

in an atmosphere of crisis, in the waning hours of a legislative session . . . to the detriment of the public. Ligarde is against a corporate or personal income tax until one becomes absolutely necessary and only if such a law will avoid filing of long complicated returns, an expensive bureaucracy and loop holes for special interest groups leaving the burden on the working people.

HEALTH

Ligarde is for (1) more adequate funding of local programs; (2) increased funding for dental care in health programs; (3) increased opportunities for entrance into health careers by young people from economically disadvantaged population groups (scholarships and loan programs); (4) expansion of State Regional Health Programs.

AGRICULTURE

Ligarde co-sponsored legislation to give tax relief to farmers and ranchers. He strongly favors expansion of Texas A & M farm and livestock research programs, and technical assistance to farmers and ranchers.

WATER RESOURCES

Adequate water supply for farming and industry is a must, and Ligarde will continue to work for long range water supply and conservation legislation with a view to expanding our farm lands and bringing industry to smaller communities.

YOUTH

As long ago as 8 years, Ligarde voted to lower the voting age to 18. Ligarde believes if the young live up to their responsibility, there is no reason why we should not give them the right to vote.

Templeton to speak at banquet

A speaker for the 1972 annual Hondo Chamber of Commerce Banquet, slated for the first Monday in December, has been obtained. It was an-

nounced at the Monday Board of Directors meeting.

Dr. Arleigh Templeton, president of the University of Texas at San Antonio, told Supt. Kenneth Flory he will be here unless something unforeseen pops up.

Dr. Templeton will speak on the impact the new university, which is scheduled to open in September 1973 with some 6,000 students, will have on the Hondo area.

Election results to be given

Museum officials say: "Attend Museum Celebration Day and get the election results, too."

There will be an election return board at the Purple Peticoat Saturday night. It will be kept current as long as the Celebration continues.

Field Day slated

Invitations have been extended to area ranchmen to attend a Range-Wildlife Field Day, Saturday, May 13, according to Bruce T. Foster, President, Texas Section of the Society for Range Management.

"The Field Day will be at the Camp Ranch, located about eight miles north of Vanderpool, on FM Road 187," Foster said.

Program for the Field Day, being co-sponsored by the Bandera Soil and Water Conservation District, County Extension Service and Texas Section, SRM, will include a barbecue dinner served on the ranch for \$1.50.

Also featured on the program, in addition to the welcome and introduction given by Foster and A.J. Flowers, chairman, Bandera SWCD, will be:

- Trends and Future Demand for Hunting and Outdoor Recreation by D.B. Polk, State Resource Conservationist, SCS, Temple.
- Camp Ranch Operations, History and Background Information by John Camp Jr., rancher.

Other selections by the Owl Band will include "America The Beautiful," with narration by Jim Fiddle, and "Clay Jesse," with narration by Wayne Stein. The public is invited to attend the concert. Admission will be 50¢ for adults and 25¢ for students. Billy Harrell is director of both groups.

"Anyone planning on attending the Field Day is urged to contact Frank Sprague or Werner Lindig prior to May 8," Foster said.

Don't forget Art Show

The Art Show and Sale featured as a main part of Museum Celebration Day is expected to offer more attractions this year than ever before.

The event will be set up under the trees on the west side of the Medina Electric Cooperative building.

It will offer many paintings and various other arts and crafts attractions.

A barrel full of beauty

This old flour barrel, now on display at the Medina County Museum, never had it so good. But then Debbie Young, daughter of Mr. and Mrs. Burnis Lawrence, never saw an old timy flour barrel up close so the two got together for this little play picture. This is just one of the artifacts of Medina County history

now on display at the Museum. Others can be seen in this picture. And the taking of liberties in this photograph is only to build up Museum Celebration Day on Saturday so that many people will attend and the Museum can be improved and expanded. (Photo By Burnis Lawrence)

Concert on tonight

The Hondo Owl and McDowell Junior High Bands will present their annual Spring Concert Thursday, May 4 (tonight) at 8 p.m. in the high school gym.

Numbers to be featured will include selections both groups played when they received the first division rat-

ings in both concert and sight-reading at the UIL contest in Fredericksburg.

These are "British Eighth", Overture For Winds; "Cantique and Faranade" by the Owl Band. The Junior High Band will play "La Nuit", "Ballad" and "Brennan Brigade".

We Believe In Ben Barnes

Ben Barnes has served this state with honor and distinction. We personally know him to be a man of honesty and integrity and we stand proudly behind him without reservation. We deeply resent the attempts at character assassination against him which have marked this campaign and we urge you to reject such tactics resoundingly at the ballot box. Ben Barnes has the qualities of leadership and integrity to make Texas an outstanding governor. Let's give him our overwhelming support on May 6th!

Two different views

You can bet when the Medina Celebration Day rolls around Saturday, it will be viewed differently by the youngsters and oldsters pictured here. In front stand three young Baders (all sons of Mr. and Mrs. Fred Bader) and Michael Mendoza, son of Mr.

and Mrs. Tony Mendoza. At the rear are O.B. "Doc" Taylor and Mr. and Mrs. Roy Dailey of Upper Hondo (Quihi). Daily who is making some horseshoe ashtrays to donate to the Auction, says they will be down for the big day. (Photo By Tony Mendoza)

Quihi news by Mrs. Jack Sharp

Mr. and Mrs. Marvin Meyer spent the weekend with Mr. and Mrs. Stanley Meyer and sons, Greg, and Darryl, in Portland.

Mrs. George Wiemers spent last week in the home of Mr. and Mrs. Travis

Fowler and children, Chris and Lee Ann.

Mrs. Ida Cole and Mrs. Jesse Ratliff, Debbie, and Mary Ruth of SA were Saturday dinner guests of Mr. and Mrs. Rolf Saathoff. In the afternoon they visited Mr. and Mrs. Alfred Saathoff.

Mr. and Mrs. Allen Shuler Deanne, and Tara were Sunday dinner guests of Mr. Shuler's parents, Mr. and Mrs. Arthur Schulte.

Mr. and Mrs. Leon Crawford of Houston, spent the weekend with her parents, Mr. and Mrs. Charles Schweers, Sr.

USDA speeds up screwworm control

In an effort to combat a spreading infestation of screwworms in Texas, the Department of Agriculture has ordered the Mission, Texas facility to increase production of sterile screw worm flies to its maximum capacity of 190 million per week, Senator Lloyd Bentsen said today.

The plant is producing at 160 million flies per week, and will immediately increase production to the maximum.

Sterile flies are released in areas where cases are reported.

"The USDA has assured me that the Mission plant will produce at its maximum the balance of the summer," the Senator stated. "Unfortunately, this may not provide sufficient sterile flies to control the spreading infestation, and we must make plans to bring screw worms back under control. Emergency measures may be necessary."

The Senator said that the plant should be expanded if necessary.

"This program has been one of the most beneficial, and with the highest return for investment, in the history of federal expenditures," the Senator said. "We simply cannot permit the screw worm to reinfest the state."

A mild winter in Mexico and Texas was conducive to spreading infestation.

In recent years, only a few dozen cases have been reported. Several hundred cases have been reported in Texas this spring.

Handmade quilts to be auctioned

Two beautiful hand-made quilts will go on sale at the Museum Celebration Day Antique Auction at 1 p.m. Saturday and you just might be lucky enough to get one.

Mrs. Rosa Graff and Mrs. John Faseler made the quilts and donated them to the Museum for auction.

There's one thing for certain: some lucky buyer will go away happy he came. It could be you.

D'Hanis news

Mary Belle Zerr

Mr. and Mrs. Louis Carle had as their guests on Friday evening Mr. Herman Carle, Mr. and Mrs. Felix Sandlin of SA and Edgar Carle of East Bernard. On Saturday, Ervin Carle of SA was a guest of the Louis Carles. The out-of-town visitors were in D'Hanis for the funeral services of their relative, Stephen Carle.

Mr. Lupe Vega and daughter Gloria of Midland, were the weekend guests of his mother, Mrs. Hilaria Vega and then also visited other relatives and friends.

Mr. and Mrs. Pat Ney and Nicole returned to their Houston home after spending the weekend in the home of their parents, the Lawrence Carles and Mrs. Martin Ney. Miss Audrey Ney of Houston was also spending several days with her mother, Mrs. Ney.

Mr. and Mrs. Neil Johnson were Sunday supper guests of the John Neys. Others present were Mr. and Mrs. Herman Ney, Sam Zerr and Victor Zerr.

Mr. and Mrs. Tom Ney spent last weekend in D'Hanis visiting Mr. and Mrs. Herman Ney. Mrs. Tom Ney, a registered nurse and a Captain in the U.S. Air Force is stationed at Elmendorf Hospital Anchorage, Alaska.

Mrs. Herman Ney and Mrs. Matt Koch Jr. visited Sister Mary Margaret Rothe recently at St. Joseph's Convent in SA.

Guests in the home of the Raymond Nesters on Sunday were Col. and Mrs. W. N. Reese of Boyan. Mrs. Reese is Mrs. Nester's sister.

Not for sale

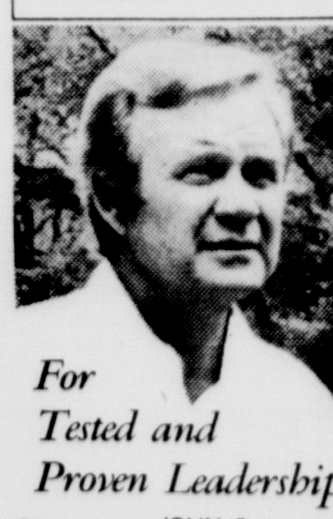

Wait a cotton picking minute! These hogs are not the ones that will be auctioned off at the Purple Petticoat Saloon Saturday evening. No, sir—e-e. In fact they are not around anymore. For this picture was taken just some years ago at what is now Avenue M and 18th Street. They are part of the Molly DeMontel Haass estate and will go to the Museum at a later date. Anne Davis is trustee for the estate.

That rascal won!

Accusing fingers are pointed at Pete Pike (with trophy) by the losers in the first annual Taste-Bud Testing Chili Cookout held at The Other Place Sunday. Other contestants who were not favored by the Judges, who were Burnis Lawrence, Louis Bendele and Bob Saekey, included left to right: Bob Kammer, Bill Young, Bill Green and Dave Knight.

IT REALLY MATTERS!

Ouch! That's the wrong tooth!

Every mouth is open here as these three pretend they are operating the old, old dentistry equipment donated to the Museum by Mr. and Mrs. O. B. Taylor of Hondo. Both the Taylors were dentists in this community for many years and their old office equipment will be on permanent display at the Museum. Feeling the pain here is Debbie Marquis, daughter of Mr. and Mrs. O.C. Marquis Jr. of Hondo. Performing the dentistry work is Terri Young, and holding the patient is Debbie Young, both daughters of Mr. and Mrs. Burnis Lawrence. All three say they'll be at Museum Celebration Day Saturday and they urge everyone else to come out and have fun. (Photo By Burnis Lawrence)

County agent says 'Spray pecans now'

The Pecan Nut Casebearer is the number one pest in Medina County, says County Agent Glenn Bragg.

"Thus it becomes a determining factor in producing pecans, whether from a few trees or in large groves," he said.

To effectively control the casebearer, it is necessary to provide thorough coverage of the insecticide on the nutlet clusters during the period when the majority of the eggs are hatching.

Eggs of the casebearer were found on trees in Medina County this week. The eggs usually hatch in 4 to 5 days after they are laid and migrate to the buds below the nuts to feed. In a day or two, larvae enter the nuts, usually at the base, and feed. They frequently destroy the entire cluster.

Spraying of casebearers in Medina County should have begun Tuesday, May 2, and be concluded by Sunday May 7 if effective control is to be obtained, said Bragg.

Insecticides recommended are Zolone, Guthion for commercial orchards, Malathion or Toxaphene. Sevin has been removed because it does not have a USDA clearance.

Growers should add three pounds of 78 percent zinc sulfate to the spray mixture to control rosette, a zinc deficiency which occurs in all trees in Medina County. A surfactant should be added for better coverage on the leaf.

ATTENTION - ALL CITIZENS OF PRECINCT NO. 1 MEDINA COUNTY

My opponent has publicly stated that your tax dollars are going for a service that is not being provided, and it is her contention that this situation should continue.

According to her, the duties of your Constable, Precinct No. 1, have been limited to the service of civil process and the paperwork connected therewith, plus posting notices, making returns, and doing routine clerical work while other Peace Officers are trying to catch thieves and protect the public.

Let me point out very strongly that a Constable's duties go far beyond these limited duties that you have been receiving, and you are entitled to receive much more.

Let's examine the statutes of the State of Texas Code of Criminal Procedures and define what a Constable is, and what he is supposed to do:

First - Article 2, 12 defines "Constable" as a Peace Officer.

Second - Article 2, 13 requires all "Constables" to preserve the peace within his jurisdiction. He is authorized to interfere without warrant to prevent and suppress crime. He shall arrest offenders without warrant in every case where he is authorized by law, in order that they may be taken before the proper magistrate or court and be tried.

Third - Article 6, 06 requires all "Constables" to prevent threat of injury to persons or property, and to use only the amount of force necessary to prevent the commission of the offense.

Fourth - Article 2, 03 states that the attorney representing the state to the court having jurisdiction, shall file a complaint against any Peace officer that fails or neglects to perform all duties enjoined upon such offender.

The every increasing crime rate, special social and sporting events, plus the lack of authorized manning for full time police and deputies to provide continuous patrolling of our cities and county, make it imperative that each appointed and / or elected Peace Officer perform all the duties of law enforcement officer to their fullest capability whenever the need arises, and that time is now! The very fact that "special" and "reserve" deputies and police are frequently utilized tends to prove this point.

Friends, concerned citizens, and each tax payer of Precinct No. 1, Medina County, you have the right to these services, and I personally assure each and every one of you that I will perform all the duties of a Constable and as a Peace Officer if you elect me your Constable.

I respectfully and humbly request that you vote DONALD MUENNINK for Constable, Precinct No. 1, Medina County, on May 6th, Your Democratic Candidate, Donald L. Muennink Pd., Pol. Ad

on many occasions means, "It is not a matter that can be done in a hurry."

All these temptations and more will await your selection. By 5 p. m. you should have worked up a genuine M-Day appetite and be ready to turn your taste buds loose on a full course chicken barbecue supper (\$1.50 per plate). Tickets are still available from Burnis Lawrence, John Wentz, Laura Wentz, Doug Bohmfalk and other Board Members.

The Country Store, managed by the Home Demonstration Club, and the Arts & Crafts division will offer wide selections as will other booths and concessions on the grounds. Prize-loving visitors will find ways and means to win some very attractive prizes. First come, first seated.

WELCOME CHIEF BATTISE

On the reception committee will be Chief Fulton Battise of the Alabama-Coushatta Indian Reservation who is coming from Livingston to be a special guest. Dedicated to the traditions of his

tribe, the Chief will be here in ceremonial dress and will share some of his varied experiences in the preservation of Indian lore that continues to make American history. Meet him and tell him how pleased we are to have him with us.

Square dancing by Hondo's popular Country Squares, some barber shop harmony, perhaps some hoe down fiddlin', guitar twanging and yarn swapping will be part of the fun.

SPENDING MONEY

If sudden financial success appeals, you might have a go at the Piggy Bank Auction in the Purple Petticoat Saloon (Ladies Welcome). Last year's lucky bidders shared some \$400 when they slaughtered their well-fed pigs.

There'll be so much fun and excitement you'll be asking "When's the next M-Day celebration?" This is tentatively set for the first Saturday in May, 1973, which will also be Cinco de Mayo. What an opportunity that will be for a genuine community-wide celebration. Mark your calendars NOW! And be there!!!

St. John's offers course

This Sunday, May 7th, a short pre-marriage course will be given at St. John's School, Hondo.

Registration will be at 12:30 p.m. and the study will continue until 6 p.m.

During the afternoon, Father Emmet Carolan will talk about Religion in Life. Dr. Parker Meyer will discuss Sex and Conception; and Dr. Cortner of San Antonio, a Doctor of Philosophy and Psychology and a member of the faculty of the University of Texas at San Antonio, will discuss partner understanding and communication. In addition, a group of married couples will discuss their past successes and failures, problems and experiences. Dr. Cortner and his wife will also participate in this session. Fr. Carolan said the course

is especially for couples planning to marry soon. However, people of all faiths, married people and single young adults, including high school seniors, would probably benefit. All are welcome and there is no charge.

Barbecued chicken delicious

Chicken barbecue plates will again be a delight of the Museum Celebration Day Saturday.

Barbecue chicken will be served beginning at 5:30 p.m. at the Armory at \$1.50 per plate.

Advance tickets are now on sale, or they may be bought Saturday.

These 'Hobbys' call for teamwork

Bill Hobby, Democratic candidate for Lt. Governor of Texas, and his wife, Diana, share undisputed interest in four favorite "Hobbys".

They are identified as Laura, whose mother says is "13, going on 27"; Paul, 11; Andrew, 9; and Katherine (Kate) who is now only 58 years from retirement age.

All are firm believers in family togetherness, election campaigns included, and all are going all out to help Daddy win.

The children have helped with any duty assigned and their daily chorus is a sincere "What can we do now to help?"

"What's more, they mean it," said their mother who met some 75 Hondo women at a Friday morning coffee in the home of Mary and Hugh Meyer.

Mrs. Hobby left no doubt that she firmly endorses what her husband's campaign literature promises: "Bill Hobby would make a good Lt. Governor. Honestly."

The local women who had the opportunity to meet and chat with her seemed to be of the considered opinion that Diana Hobby would make the ideal helpmeet for a future Lt. Governor of Texas, charged with executing the responsibilities of that office with dedication and dignity. Honestly!

Services pending for Mrs. Bertreaver

Funeral services for Mrs. Mary Alice Bertreaver were pending for today, Thursday, at 10 a.m., at St. John's Church. She died Tuesday. A complete obituary will be published next week.

Requiem Mass held for Mrs. C.J. Klein

Requiem Mass was offered Wednesday afternoon in St. Mary's Church, Fredericksburg, for Mrs. Christina J. Klein, 89, who died in that city May 2, 1972.

She was the aunt of the Very Rev. Victor G. Schmidtzinsky, pastor of Holy Cross Church, D'Hanis. Other survivors are five sons, four daughters, 27 grandchildren and 34 great-grandchildren.

Museum plates special on

Do you have a Museum Plate yet?

Then, pick up one at the Museum Celebration Day. This beautiful plate with a colored picture of the old SP Depot is a must for a souvenir.

And Saturday there will be a special on the plate. Cost of the plate remains at \$4.00 each, but with each plate bought that day the Museum will give away a hanger to hold it (while they last of course).

The picture of the old depot was painted by Eva Hueser of Austin, a Hondo native. She also donated the picture to the Museum and it is on display there.

Members of the Hondo Garden Club will man the booths where plates and sketches will be sold. The booth at the Museum will open about 10:30 a.m. and the one at the Armory will open around 4 p.m.

JOSEPH M. PITRE Candidate For Sheriff Of Medina County

An open letter to the voters of Hondo in particular and Medina County in general

I would like to come before you in the closing days of my efforts to be elected to the office of Sheriff of Medina County, in the coming election.

My opponents have an advantage, over myself, they can do their campaigning on the taxpayers' time, from which they are paid. While my free time is limited, my family support is derived from my 12-hour night job. That leaves the rest of the 24 hrs. to rest and make my contact with the voters.

I realize that to some voters I am practically unknown, although I have been connected with the law enforcement body of Hondo. While serving in that capacity, I became aware of the machine political power. As most voters, especially those in Hondo, knew I was relieved of my job and did file a claim of damages. This charge was left unheard, and was denied only after I had filed for the position of your next Sheriff. This would appear to have been motivated by "Dirty Politics."

The reason for dismissal was given as "Insufficient Evidence."

There was a time when candidates for public offices were expected to let the voters know their aims, and what policies to expect in the coming term, if elected. That practice seems to have been abandoned, but I still think the voters have that consideration due them and I now will give part of my election pledge: I give you my solemn promise, and pledge to work for justice to all, to give every assistance, in my power to protect the innocent at all times, likewise to prevent the guilty from going unpunished, according to the gravity of their crime, always with the desire to benefit the individual, not to pun-

ish for the sake of compiling a record of conviction; and there leaving the burden of rehabilitating, with its enormous expense, to our Federal Govt.

I will give my promise to work with and for our younger generation. I have promised to help bring a drag strip and a community center here in Medina County.

My advice to each person is do not vote for a candidate, be it a friend, or even a relative, if that person does not have the known qualities of honesty, compassion, and a true background of justice toward all. When elected, I will pledge that there will be no trumped up charges, manufactured evidence, arrests without justifiable causes, no harassment of seizure and search, for the purpose of discovery, known in law as "a fishing trip."

Our guidelines for equal rights and justices for all was put together by the signers of our Bill of Rights. As a well known fact, that every one of those men suffered great losses, for so doing; this document has been the shaping of our individual rights down to our local level, and governing bodies, all of which now are tainted, with evidence, and facts, of corruption. The only way that such power of machine politics will ever be eliminated is when each and every voter becomes aware of the importance of that one vote.

We must start with our own "backyards" and then to our State level. Eventually the power of the so called "silent ones" will be recognized again in our National Capitol. Ask yourself, Do I know any person, or persons in Medina County who has suf-

fered injury of person or property, due to the miscarriage of justice, cruelty or harshened inhuman treatment of your Medina County law enforcement body? If so, vote that body out, but be sure of your facts before judging by your vote. But at least VOTE.

I, "Joe Pitre," am the only candidate, who if elected, will assure you of a complete change of policy. I am controlled by no group, and have no political promises to keep or debts to pay, except to you, the voters, and that promise is for equal law enforcement for all, and protection for each and every one, whether you have voted for me, Joe Pitre, or not. I will if elected, owe that to all be they "friend, foe, or stranger." I will strive never to use the office, as your Sheriff, as a stepping stone to my own gain, except as legally due me.

I wish I might say these words to each voter, and now I do say them to you by way of this open letter, with all sincerity, as a concerned citizen and the father of five children who will have to live by what decision you voters make, as will your own children. I will appreciate your thoughtful consideration and your vote.

I wish I were able to meet all the citizens of Medina County, but I know I won't get to meet everyone, but to the people I have met and will get to meet, I must say Medina County has wonderful people.

Playground smoke

Anyone going near West 18th Street Wednesday morning would have seen some large blazing areas where the City is burning debris. This area is being cleaned for a City playground and Fritz Leinweber told the Anvil Herald that prior to the burning, Street Department Head Lloyd Hermes checked personally with all the residents living on 18th Street and they had no objections. The park area will be protected from the railroad by a high fence. (Photo By Tony Mendoza)

Buyers can get items anytime

Persons who buy antiques and collectables at the Museum Celebration Day Auction Saturday do not have to take them away that day.

They can pick them up Sunday, Monday or several days thereafter. "We'll have someone around to help them," it was announced at the Friday night Museum meeting.

Mustache growers prepare!

Mustache growers who have suffered so gallantly over the past three months will have their day, er, night, on May 6--that's Saturday night.

There will be a mustache contest--and prizes in the form of cups will be awarded.

In fact, there will be two contests. One for those who are new at the mustaches game. And another for the old heads who have been sporting mustaches for a long time.

The judging will be held right after the Country Squares performance which begins about 7 p.m. Saturday at the Armory.

Monday at 7:30 p.m. Hondo will host Poteet.

Two aces recorded in golf

Two holes-in-one in one week is a rarity, or it is at the Hondo Golf Course.

But Richard Torres and Virgil Krenmueller performed the feat last week.

Richard garnered his ace Wednesday, April 26 on hole number 5. He hit a 9 iron shot. His partners were Leon Mangold, Richard Schott and Ronald Keller.

Saturday, Virgil got his ace on hole number 9. He

hit a 5 iron shot. His partners included: Blanton Taylor, Chub Hutto, and Walter Kwapich.

Early in 1971 two aces were recorded on the Hondo course in two days, January 30 and 31. There had been none until last week.

Pearsall drops Owls 6-4

The Hondo Owls District 28-AA baseball record dropped to 5-5 Tuesday night as the Pearsall Mavericks scored a rain-shortened 7-4 win over Hondo on the local diamond. Hondo now holds an overall record of 8-7 with just two games remaining.

The Owls travel to Devine today (Thursday) to take on District-Leading Warhorses.

In Tuesday's game the Mavericks scored four runs in the first inning on four hits and three Owl errors. The Owls tied the game in the third with three runs after scoring on in the first but the Mavericks came back to go ahead in the next two innings before the game was rained out.

Dennis McGehee picked up the win for Pearsall, while Steve Overman, the first of three Hondo pitchers, was the loser.

The Owl "B" team has closed its 1972 baseball season with an even record of 6-6.

Panthers edge Owls 3-1

The Hondo Owl's 4-game winning string ended Friday night as the Medina Valley Panthers beat the Owl's 3-1 in 10-innings.

Owl pitcher James Prescott and the Panther's Maxie Groth engaged in a pitchers battle before Prescott apparently tired in the 10th inning.

The Panthers combined three of their seven hits and a throwing error into two tenth inning runs for the win.

The Owl's long run came on a sacrifice fly after a walk early in the game. Prescott allowed only seven hits in talking the loss while Groth gave the Owl's only one single and struck out eighteen.

Dennis Zerr and his 15-year-old son Pat make a pretty fair fishing team.

And they have a second place award in the State Fishing Tournament to prove it.

The two entered the Father-Son division of the State Tournament held at Lake Amistad last weekend and won second place.

County students win honors

SAN MARCOS-- Thirty-one Medina County students are among the 2,288 Southwest Texas State University students whose fall semester grades earned them places on the fall term Dean's Honor List.

To make the regular honors list, a student must be enrolled for a minimum of 12 semester hours of course work, excluding physical education activities, and have at least an overall "B" average.

The top academic list, the Superior Dean's Honor List, requires students to have grades of "A" in at least 12 of the required 15 hours of course work and no lower than a "B" in their other three-hour course. This averages out to a minimum grade point average of 3.8 on the four-point scale or a 2.8 on the three-point system.

Local students whose scholastic averages have earned them inclusion on the fall semester Dean's List at Southwest Texas State are as follows:

Natalia students study drug problem

Natalia Students study drug problem---5/4--
Drugs, criminal law, fish and game laws, and highway statistics were the topics of a panel discussion which took place in the Natalia High School Gym on April 27. Senior and Junior High students and faculty attended.

High School Principal B. C. McDonald introduced the speakers. Three Medina County Officials - Sheriff Charles J. Hitzfelder, Game management officer August Timmerman, and Highway Patrolman Sgt. Ollie Clark answered questions asked by Seniors Jeanine Barber and Danny Harper and volunteers from the audience.

The program was planned to serve a practical need by encouraging critical thinking. A Workshop on drugs was held earlier this spring for all teachers and a panel of students. Region 20 workers lectured and supervised group discussion.

Fourth and fifth grade students were recently introduced to drug study via a drama written and presented by Dan Darryl. Other programs on drug education are being planned for Natalia students.

meeting will be Wednesday afternoon in the home of Mrs. E. Moffett, Devine. Mr. Lee Estep who recently underwent surgery in a San Antonio Hospital is now convalescing at his home.

SHERIFF
Of Medina County
May 6, 1972 Democratic Primary

CHARLES J. HITZFELDER:
...is a dedicated law enforcement officer, with over 1700 hours of police training.
...has in the past and will continue to be a full time 24-hour sheriff to serve the people with no other outside interests.
...has been successful in helping keep organized crime out of the county through his close relationship with the Federal Bureau of Investigation.
...has been very successful working with young people and has always been able to receive their cooperation.
...is able to speak both Spanish and English, enabling him to help solve many problems caused by language barriers.
...will continue to reside at the County seat, near the sheriff's office, where he will personally supervise the operation of the sheriff's office.
...will continue to be the same dedicated, conscientious and non-prejudiced law enforcement officer as in the past.
...has been successful in helping keep the crime rate in Medina County at a lower level than the state crime level, which was 2.6% lower in 1971 than 1970.
...was instrumental in working with other officials in establishing the much-needed MAST helicopter ambulance service in Medina County which has resulted in the saving of several lives.

Owl Band members surprised Band Director Billy Harrell at the recent banquet by presenting this picture board titled: "This is Your Life, Mr. Harrell." We understand it made a big hit all around. And it was a fine tribute to the director who has brought the Owl Band through to two Sweepstakes.

BILL HOBBY Would Make A Good LT. GOVERNOR. Honestly

Bill Hobby, a native Texan, seeks your support in his campaign for the Democratic nomination for Lieutenant Governor. Unhampered by political alliances, he can bring a fresh insight to the office to serve all Texans more efficiently and effectively.

He is the son of former Texas Governor W. P. Hobby and Oveta Culp Hobby. Governor Hobby was Lieutenant Governor from 1915 to 1917 and Governor from 1917 to 1921. Mrs. Hobby was the first Director of the Women's Army Corps and the first Secretary of Health, Education and Welfare.

Bill Hobby is married to the former Diana Potcat Stallings. They have four children: Laura, Paul, Andrew and Katherine.

When he graduated from Rice University in 1953, Hobby joined the United States Navy and served in the Office of Naval Intelligence. He was discharged as a Lieutenant (Jg).

Bill Hobby's business experience is as a newspaper executive and as a radio and television broadcaster. He is president of The Houston Post Company. In 1971, he was president of the Texas Daily Newspaper Association.

Bill Hobby has always been active in civic affairs. In 1959, he was parliamentarian of the Texas State Senate. He has served on the Board of Regents of the University of Houston, was a member of the Presidential Task Force on Suburban Problems, a member of the Texas Air Control Board, and chairman of the Senate Interim Committee on Welfare Reform.

Elect
**BILL
HOBBY**
Lt Governor

Bill Hobby is a good man. Not just a good politician.

Bill Hobby believes public officials are elected to serve the people of the State of Texas — not to serve their own selfish interests. He believes Texans have seen enough of "investments" by public officials in companies run by special interest lobbyists. Bill Hobby knows that Texans will demand that their officials be willing to make the sacrifices public office requires.

Bill Hobby is his own man.

Free of the pressures that turn men to greed. Bill Hobby is ready to make those sacrifices. To devote his time entirely to the needs of Texas. He'll make sensible decisions based on fact — fact that his newspaper experience has taught him to dig out. And his decisions will be based on thoughtful consideration of what's best for Texas and Texans. Not on the financial gain of Bill Hobby.

Bill Hobby knows the insurance rate structure in this state is appalling.

Bill Hobby knows that insurance rates for both automobiles and homes have risen beyond the ability of many citizens to pay. He will make every effort as presiding officer of the State Senate to insure that needed reforms are made to control spiralling insurance costs.

Bill Hobby, manager, leader, man of conviction and strength.

Bill Hobby is a realist. He knows that as costs of services continue to rise, the cost of government — essentially a service organization — will continue to increase. But, Bill Hobby knows that each tax dollar spent, by paying close attention to detail and by rigorous planning of priorities, can be made to work as hard as dollars spent by private enterprise. The experience that Bill Hobby has gained in private business by profitably operating the Houston Post and other enterprises will serve Texas well in controlling state expenditures.

**LEE
MOSS**
Tax Assessor-
Collector
Medina County

FELLOW CITIZENS OF MEDINA COUNTY:

Saturday, May 6th, is a most important day for all who are interested in their future County Government. On that day you will decide who is to be your County Tax Assessor-Collector, a position I sincerely feel competent to hold.

I came to Medina County in 1945, after serving as a Chief Warrant Officer in the United States Army for five years. Since then I have been able to build a broad base of experience in the field of public service, with particular emphasis in the area of taxation. The foundation of this experience was begun in the Medina County Court House in 1946 when I became employed by the County Tax Assessor's Office.

In 1955 I became Secretary and Tax Assessor-Collector for the City of Hondo. The knowledge and experience gained in this office was expanded upon by holding similar positions in other Texas cities, all the while maintaining Medina County as my permanent home.

Your vote and support on May 6th will be sincerely appreciated

LEE MOSS

Bill Hobby would make a good Lt. Governor. Honestly.

As a newspaper man, Bill Hobby has personally seen the havoc that crime creates. The lives ruined and lost. The property destroyed. And he also knows that a great many crimes are committed by addicts looking for their next "fix." Bill Hobby believes that the intertwined problems of crime and drugs have grown beyond the existing system's ability to meet the challenge. He plans a multi-pronged attack on crime.

Bill Hobby believes in justice. And humanity.

First, punishment should be swift and sure. Bill Hobby proposes that the court system be beefed up in high crime areas so that criminals can be brought to trial quickly.

To alert Texas young people to the dangers of drugs, Bill Hobby recommends a massive education program.

For the criminals that sell drugs to our youth, Bill Hobby demands stiffer penalties. And that those penalties be strictly enforced.

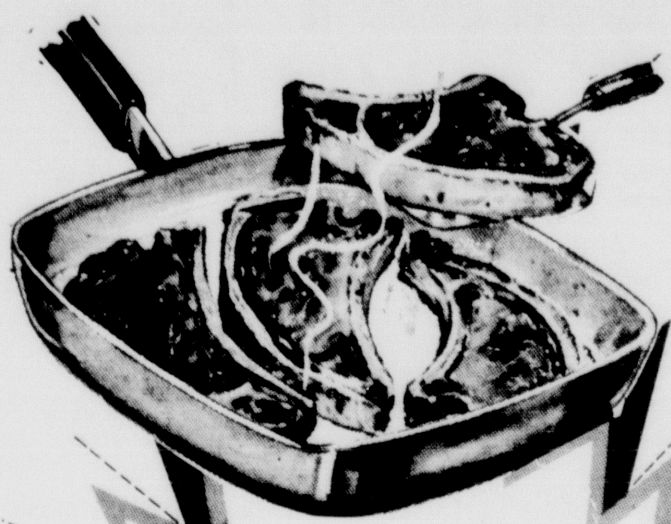

Bill Hobby will seek Constitutional reform.

Bill Hobby believes that one of Texas' most pressing needs is constitutional reform. If a constitutional convention is called by Texas voters, Bill Hobby will work for a constitution that more clearly defines the responsibility of state officials. The document should also allow officials the flexibility necessary to meet the changing needs of Texas.

Bill Hobby will protect our air, our water, our state.

Bill Hobby is appalled by the abuse of Texas' fabulous air and water resources. He believes that the state's existing air and water conservation laws should be strongly enforced.
